WFCU Credit Union’s new US Dollar Visa[®] card can be used anywhere major credit cards are accepted in the United States. There are no foreign transaction fees when travelling in the U.S. or shopping online with US companies, making the perfect card to use for US transactions.

“WFCU Credit Union is excited to have a new US Dollar Visa[®] card to complement our *BorderFree Banking* products. Being situated on a US border we know our members travel, shop or even work in the United States and this card will make it easier, more convenient and save our members money,” says Marty Komsa, Chief Executive Officer, WFCU Credit Union. “WFCU Credit Union continues to grow our suite of unique and innovative products, like *BorderFree Banking* for our members.”

Collabria CEO John Dundas said, “Collabria is excited to partner with WFCU Credit Union and help them provide the financial services that their members need. WFCU Credit Union’s proximity to the US border makes it a natural fit for Collabria’s new US Dollar product.”

WFCU Credit Union’s US Dollar Visa[®] Cardholders automatically earn valued reward points for every qualified purchase. The card also comes equipped with Visa payWave[®] technology helping the cardholder checkout faster. At participating merchants, cardholders simply wave the card in front of a secure reader. No need to swipe, sign and no worries about paying with cash. Security and protection are also highlights of the card which includes a wide range of extra-value insurance, warranty and travel benefits. State-of-the art security features like fraud monitoring and fraud text alerts protect personal and financial information.

Always keeping member service and convenience a top priority, the new US Dollar Visa[®] card through Collabria uses an online portal, making the application process is fast and easy, providing both WFCU Credit Union and its Members an excellent user experience.
