Windsor Family Credit Union (WFCU) Promotes Fire Safety

WINDSOR, ON – Starting Tuesday October 29, 2013, Windsor Family Credit Union (WFCU) will once again facilitate its “Change Your Clock, Change Your Battery” initiative in its retail locations. To offer this program, WFCU is pleased to partner with Windsor, Tecumseh, LaSalle, Leamington and Amherstburg Fire and Rescue Services. This program received the 2008 Fire Safety Partner Award by the Fire Marshal’s Public Fire Safety Council. The award recognized WFCU for its initiatives to increase fire safety awareness throughout Windsor and Essex County.

Twice a year, firefighters are invited to WFCU to answer questions and distribute batteries and fire safety information to members.

WFCU is proud to organize this initiative through its Community Outreach programs to ensure residents have changed the batteries in their smoke alarms and bring fire prevention awareness to the communities it serves.

“Working with local Fire and Rescue Services reminds us [WFCU] and the community of the importance of fire prevention and safety,” acknowledged Marty Komsa, WFCU President and Chief Executive Officer.

WFCU members can participate in the “Change Your Clock, Change Your Battery” program during the following times:
